

DARBY CREEK VALLEY ASSOCIATION

***37th* Annual Darby Creek/Cobbs Creek Watershed-Wide Cleanup: Saturday April 10, 2021**

Participation can help municipalities meet their NPDES public education requirement.

Dear Municipality Manager,

In the past, several municipalities within the Darby Creek Watershed have contributed to our Darby Creek Watershed Clean Up. For those municipalities we would like to thank you and hope that you will continue support our efforts to clean up the Darby Creek.

We are writing to ask for your support for the **37th Annual Darby Creek/ Cobbs Creek Watershed-Wide Cleanup** scheduled for Saturday, April 10, 2021. As they have done since 1984, hundreds of volunteers will gather throughout the 77 square miles and 31 municipalities of the Darby and Cobbs Creeks and their tributaries and remove the tires, shopping carts, and other accumulated debris from the creeks and feeder streams we all share. Also, for the last 36 years, businesses and other groups throughout the watershed have donated money, goods, and services and received recognition, tax benefits, positive publicity, and the thanks of our many volunteers. Equipment loans (like cranes, tow trucks, or woodchippers) can also qualify as a charitable deduction. **Donations of \$150 or more will get you recognition on the 2021 literature and will help meet your NPDES.**

For more information please log on to our website at: DCVA.org or email suedcva@gmail.com

*Celebrating a ribbon of green beauty throughout the 77 square miles and 32 municipalities of
the Darby Creek/Cobbs Creek Watershed*

*****Working together we make a difference. *****

YES: I want to help this year's Darby Creek Cleanup as a helper or Sponsor:
